Sunday <i>Pastor preaches</i>	Vision cast + Assessment + preach Presence. Squad assignments announced.	Preach on Understanding. Discipline of curiosity.	Preach on Listening. Four levels of listening.	Preach on Love. Agape as verb, not feeling.	Preach on Uplift. Naming Jesus in the middle of what we're doing.	Preach on Prayer. Not prelude to the work — the work itself.	Preach on Follow-up. The 30-60-90 pathway. Prep for the yes.	Pull Up Sunday. Salvation message. Guests arrive. Public invitation.
Squad Huddle <i>Coach leads</i>	First Huddle. Introductions + primary style share + name your Three + one presence touch.	Practice 'tell me more.' 5 min pairs. Debrief.	Share one hard thing from a Three. Coach models generative listening.	Each member commits to one tangible act of service for a Three.	Practice 'I have been praying for you' + 'Can I pray for you now?'	Prayer Huddle. Whole 30 min is prayer for the Threes by name.	Role-play the invitation. Every member commits to inviting this week.	No Huddle. Coach follows up individually to celebrate + comfort.
Member Touch <i>Each Three</i>	Take assessment. Read style profile. One presence touch on a Three.	Ask a Three an open question. Listen 10 min. No advice.	One conversation where your only job is to listen.	One tangible act of love: meal, ride, yard work, babysitting.	Tell one Three: 'I have been praying for you.' That sentence.	Set a daily alarm. Name your Three out loud. 60 seconds. Every day.	Make the invitation: 'Come to Pull Up Sunday with me next week.'	Bring your Three. Sit with them. Take them to lunch after.
